There is no dearth of career opportunities. Choosing a right career option is a critical decision. Students must set clear career objectives from the early years of their life and then dedicate their energies to become the best in the same field. The poem tells us about the various career options that can be chosen with at most care to be successful in life.

Preparing young adults for success

Requires a distinct educational experience

Gone are the times when limited were career options,

Emerged newer aspects to cater needs of generation

Life is complex and days are of specialization,

Career holds gravity in today's age of innovation.

Wrong career choices fill young minds with alienation,

Proper guidance and counselling ameliorate the situation.

Finding the right path is in fact full of complication,

It depends on parents, environment and the kind of education.

Amount of money one can invest, should be paid into consideration,

A good way to start is self-examination.

Students should zero down to more than one option,

In case, unachievable is the first course of action.

Institution conducts counselling sessions,

Online career assessment website support the situation.

Choosing a career is not a matter of liking or disliking,

It is not restricted to only accounting,

It could be statistics,

It could also be banking.

Humanities have opened numerous options,

Like Travel and Tourism, Animation or Mass Communication.

Science is not confined to engineering or medicine,

Streams are also linked to Aircraft Marine and Maintenance.

The right and timely career choice is of fundamental importance,

For which one has to be practical logical and rational.

A correct choice may lead to victorious realization,

While a wrong, may lead to sorrow, repentance and frustration.

So, for selecting a right career destination,

One needs to be proactive about his decision.

To be a winner, one has to learn to strive,

Then only the right career choice will change the entire life.
